

April 19, 2009

Creative Wellness Holistic Health Care Center of East Lansing, MI. has an immediate opening for an acupuncturist to takeover an established permanent practice. Creative Wellness has been serving the Greater Lansing area since 1990. Over the years our center has grown to include practitioners certified in the areas of Chiropractic, Ayurvedic Medicine, Naturopathic Medicine, various forms of massage therapy and bodywork, in addition to, Acupuncture and Chinese Herbal Medicine. We also offer classes in Yoga, Tai-Chi, NIA, Meditation, and various well-being classes to the public. We are looking for a skilled and caring acupuncturist who is nationally certified in Acupuncture and Chinese Medicine. For more information about our center, go to our website at www.creativewellness.net. If you are interested in joining a well-established holistic health care center or know someone who is, please forward cover letters and resumes to the address below.

Sincerely,

Christine Reay
